

Welcome to **Kiss the Cow Farm's CSA!**

We are thrilled that you've decided to support your local farmers and food producers with our flexible, whole diet CSA.

In an ongoing effort to make this membership as easy and delightful as possible, we've created this easy How-To guide to get you ordering local food quickly.

Here's how you shop:

Unlike many CSAs, you will not automatically receive a share each week. You will only receive products if you place an order. To place an order, either click on the link included in our weekly CSA email or use this link:

<https://csa.farmigo.com/account/kissthecowfarm>

Once there, click on the blue "Store" button, shown here:

On the left-hand side, you will see the Store Categories (such as Dairy, Veggies, Meat, etc.). Choose the category you'd like to peruse. When you see an item you want, click the word "Add" and one unit will be added to your cart. You may also increase the number of units of that item by hovering over the number "1," which will give you the option to add more units, or decrease:

Eggs - Certified Organic
Kiss The Cow Farm

\$5.95 / 1 Dozen

Eggs - Local Brown
Maple Meadows

\$4.50 / 1 Each

Add

Go through all the categories and add as many items as you want for that week. Once you're done adding items, click on the white "Cart" button in the upper-righthand corner.

Once you click the "Cart" button, a dropdown will appear. Click "Checkout" at the bottom of the dropdown.

Please note: If you do not click Checkout, we will not receive your order!

You will then be brought to a final screen, where you will have to click the "**Place Order**" button.

Once you successfully place your order, you will receive an email in your inbox confirming your order.

That's the whole story!

Points to remember:

Our CSA is more like a debit system: each time to order items, the order amount is deducted from your available balance.

You can add more money to your account at any time! It's very common to run out mid-way through the CSA season. (There are a lot of tempting goodies to enjoy!)

Use it or lose it: make sure to spend down your account by the end of your membership.

Please note: If you have selected "Farm Store" as your pickup location, you DO NOT order online. No need. Simply go to the Farm Store, get whatever you want, and write down what you chose on your own personal Purchase Page (found in the back of the 3-ring binder, organized by last name, on the checkout table).
